

Allogene Therapeutics Announces Pricing of Public Offering of Common Stock

Apr 14, 2026 at 9:50 PM EDT

SOUTH SAN FRANCISCO, Calif., April 14, 2026 (GLOBE NEWSWIRE) -- Allogene Therapeutics, Inc. (Nasdaq: ALLO) today announced the pricing of an underwritten public offering of 87,500,000 shares of its common stock at a price to the public of \$2.00 per share. The gross proceeds from this offering are expected to be \$175 million, before deducting underwriting discounts and commissions and estimated offering expenses payable by Allogene. The offering is expected to close on or about April 16, 2026, subject to customary closing conditions. In addition, Allogene has granted the underwriters for the offering a 30-day option to purchase up to 13,125,000 additional shares of its common stock at the public offering price, less the underwriting discounts and commissions.

Allogene expects to use the net proceeds from this offering for general corporate purposes, which may include clinical trial expenses, research and development expenses, general and administrative expenses, and capital expenditures.

Goldman Sachs & Co. LLC, Jefferies and TD Cowen are acting as joint bookrunners for the offering. Piper Sandler and William Blair are also acting as joint bookrunners for the offering. Baird and Canaccord Genuity are acting as lead managers for the offering. TPG Capital BD, LLC is acting as co-manager for the offering.

The shares of common stock described above are being offered by Allogene pursuant to a shelf registration statement filed by Allogene with the Securities and Exchange Commission (SEC) that was declared effective on April 25, 2024. A final prospectus supplement related to the offering will be filed with the SEC and will be available on the SEC's website located at <http://www.sec.gov>.
