**Item 1.01 Entry into a Material Definitive Agreement.**

On February 19, 2019, Allogene Therapeutics, Inc. (the “Company”) entered into a Lease Agreement (the “Lease”) with Silicon Valley Gateway Technology Center, LLC, for approximately 118,000 square feet of space to develop a cell therapy manufacturing facility in Newark, California. The Lease has a term of fifteen years and eight months, and is expected to commence in March 2020. Upon certain conditions, the Company has two ten-year options to extend the Lease. The Company paid \$192,945 upon execution of the Lease, which represents pre-payment for the first month of rent and estimated operating expenses. Subject to rent abatement for the second through ninth months of the Lease, the Company will be required to pay \$159,150 per month, or \$1.35 per square foot, for rent for the first twelve months of the Lease term, which will increase at a rate of 3% per year. The Company will be entitled to a tenant improvement allowance of approximately \$2.95 million for costs related to the design and construction of certain Company improvements. In connection with the Lease, the Company will maintain a letter of credit for the benefit of the landlord in the amount of \$3.0 million.

The foregoing description of the Lease does not purport to be complete and is qualified in its entirety by reference to the full and complete terms of the Lease, a copy of which will be filed as an exhibit to a subsequent filing with the Securities and Exchange Commission.

**SIGNATURES**
